

MACY'S PROM SUSPENSION NOTICE

The Hot August Nights Prom is suspended for 2009. Unfortunately, Hot August Nights was notified in the eleventh hour that Macy's, the primary sponsor of the Prom, due to mandated corporate policy changes, will not be sponsoring the 2009 Hot August Nights Prom. Their sponsorship involvement made it possible to maintain lower priced Prom tickets. The impact of their marketing and advertising programs in support of the Prom also greatly enhanced its awareness and success.

It is with regret that we inform you of this event suspension.
