

HOT AUGUST NIGHTS DRAGS AT THE RENO-FERNLEY RACEWAY

Reno, NV – Aug. 7TH – Aug. 8th Reno-Fernley Raceway hosts two nights of drag racing from 6 PM to 1 AM. Gates open at 4 PM.

Reno-Fernley Raceway and Infinite Velocity Motor Sports are teaming up with Hot August Nights for two nights of street drags on Friday and Saturday, August 7th and 8th, from 6 PM to 1 AM, both nights. Gates will open at 4 PM. The driver's entry fee will be \$30 and the spectators fee \$5. Spectator admission is free with a Hot August Nights Participant badge. This event is one of Reno-Fernley Raceways most popular events and is a must see for all street drag fans! The Raceway is kid friendly and a great place to meet others with the same thrill for speed. All Hot August Nights vehicles are free and are welcomed but must pass tech inspection. This is the place for muscle cars, street cars and trucks.

Reno-Fernley Raceway came into existence in 1998, as a part of a 3,000 acre master planned project. Beginning with a 500 acre motor sports complex and motor cross track, the Raceway has evolved to a clay oval track and an asphalt 2+ mile track with all the time trial equipment of one of the largest and fastest growing motor sports facility in the country! In the summer of 2000, Reno-Fernley Raceway teamed up with Infinite Velocity Motor Sports to start street legal drags (a.k.a. Grudge Racing). Today, the paved road course and the addition of a burn out pad and timing equipment, give the Drags a mile home. Drags are a regular tradition at the "Racing Field of Dreams" with monthly drags and the two days of drags during Hot August Nights.
