

MEMBERSHIP MEETING ACTION REPORT

Date: May 20, 2010

Submitted By: Kathy Jakolat

1. Packing Party on Saturday July 10th at the HAN office at 10:00 a.m.
1. Carol Blasquez explained how the packing party worked.
2. Likewise with the Grab and Go packet pickup on Thursday July 15th. Carol reminded folks to bring snacks to share and that there would be no tents out back this year.
3. South Shore Update: There are 600 cars registered. There are 100 vendors registered for the swap meet at Heavenly Valley. There will be 350 cars at the auction. Hotels are sold out.
4. Carol reviewed the Foundation Committee special request flyer and we were told that sign-ups are going very well. (Jackets will do that for people)
5. For the June meeting we are to bring our handbooks in order to review a few items. AND it will be a work meeting so bring a snack to share while working.
6. We have been asked to supply information about Hot August Nights for a Newcomer luncheon event on Thursday June 24th. This is an event where area clubs are represented to Newcomers so they know what volunteer opportunities are available.

Old Business

1. Review of the Gilligan's Island party in the Mandalay Room at Circus Circus. We will unload party items at 3 p.m. and decorate. Rte. 66 is our entertainment band, Rich West will emcee. Dress is beach attire and there will be a costume judging for folks who dress as Gilligan's Island characters. There will also be a couple of volunteers at the doors to make sure the decorations do not leave with the guests.
2. The Rodeo Booth has enough volunteers for the car raffle.

3. There were nearly 80 new volunteer packets sent out and all but about 8 of those people have been called by the Welcome Mat Committee. New packets will be sent out after the registrations from the party have been processed and calls will be made about a week after the mailing.
4. Kathy Schaffer is requesting thank-you party gifts (donations) from members, friends, companies you may be affiliated with, cold calling. There is a need for a gift for every member who attends the party; 400 +/-.
5. We were reminded that when we sign in to work an event we must sign in AND out in the same book with our name and time in/out. We must not sign for friends or family. If we don't sign out, we will get credit for only two hours of work no matter how long we worked.

Respectfully submitted
