A few people mentioned they did not receive a phone call from the "Phone Tree" regarding tonight's meeting. Many people mentioned they had received an email just this morning about tonight's meeting.

When asked how many people were new members, 7 people raised their hands. One of the 7 stated she hadn't decided yet if she was going to join. So, we had 6 confirmed new members in attendance. Everyone in attendance introduced themselves, said how long they had been a volunteer and Sue had arranged a fun game, in which everyone stated their first name and matched the first letter of their first name to the name of a car. It helped people remember names and broke the ice.

Sue briefly explained the Small Packet area and process. Questions were asked and answered.
