There is no entry fee to be on the waiting list. Once a space is available, you will be contacted and an official Hot August Nights application will be sent to you. The waiting list is a perpetual list and your application will be kept on file unless you notify the Hot August Nights office that you wish to be removed from the list.

Twice a year we will send you a letter notifying you of your position on the list. **Please make sure to update the Hot August Nights office if you change your address or phone number.** If a space becomes available and we are unable to reach you because of a wrong phone number and/or address, your application will be bypassed.

Car entries are limited to 5,500 and are subject to Hot August Nights discretion. The Event is open to 1972 or older American cars or pickup trucks and European classics.

If a spot becomes available for the Event and your car is not ready, or you are unable to attend the Event you may continue to stay on the list.

While you are waiting for a registered car participant space to become available, please be aware that there are pre-kick off activities each year that are open to all non-registered cars. For a list of pre-kick off activities see our schedule of Events at www.hotaugustnights.net.
